

Junior Interior Designer

Residential Design + Build

Company: Our House Your Home

Location: Keller, TX

Type: Full-Time

Compensation: \$50k-\$60k (based upon work experience, education, and skill set)

We're a residential design + build firm creating beautiful, approachable homes that feel welcoming. Our projects blend modern warmth with vintage charm and serve real families through intentional design. We're seeking a Junior Designer with 1-3 years of experience in residential interiors to support our team from early concepts to install day.

Key Responsibilities:

- Collaborate with Lead Designer to develop concepts, floor plans, and presentation templates.
- Source and specify furniture, finishes, materials, and lighting in alignment with project vision.
- Draft plans, elevations, and layouts using AutoCAD or comparable software.
- Maintain and organize sample libraries for efficient project reference.
- Create and present design presentations to clients.
- Manage and update FF&E schedules, pricing, and procurement documentation.
- Conduct site visits to verify measurements and monitor progress.
- Assist the Lead Designer at installations and provide hands-on project support as needed.
- Take detailed notes in client and vendor meetings to ensure accurate follow-through.
- Contribute to the intentional, functional designs that reflect client needs and the OHYH aesthetic.
- Maintain design trends, new materials, and industry practices to bring fresh insight to the team.
- Demonstrate a sense of ownership and active partnership throughout each project.

Qualifications:

- Candidate must live near or be willing to relocate to the Keller, TX area
- Associate's or Bachelor degree in interior design, Architecture, or a related field preferred
- 1-3 years in residential interior design
- Proficiency in software like AutoCAD, Adobe Suite (InDesign, Photoshop) and Microsoft Suite
- Strong understanding of design principles, space planning, and high-end trade vendors.
- Detail-oriented, organized, and a confident communicator
- Problem solver and ability to develop innovative solutions for clients' needs
- Demonstrated ability to work independently and exhibit a strong sense of professional maturity
- Able to manage multiple projects in a fast-paced environment
- Collaborative, humble, and eager to grow

Bonus If You Have:

- Experience in construction or renovations
- Knowledge of Revit, Canva, or vendor software
- Familiarity with construction documents and FF&E schedules

What We Offer:

- Full time position in Keller, TX
- PTO days and paid holidays
- Opportunity to grow with a passionate, tight-knit team
- Vendor and trade discounts
- Exposure to full custom builds and client-facing design work
- Team culture that values excellence, humor, and heart
